

We have an event coming up in July that we would love you to come along to:

Edible York Open Gardens

Saturday 11th July between 10am and 4pm

This is an opportunity to explore local gardens, connect with other edible growing people and have a fun day out. They are all open at different times between 10 and 4pm, so check your local gardens and plan a mini tour!

Jorges and his partner have moved from Spain and have recently rented a house with a completely empty back yard. By Saturday 11th he hopes that he can illustrate some possibilities of what edibles can be grown in a short space of time, with a limited budget in a back yard. What will it look like after a few weeks of glorious sunshine? – do go and find out! THANK YOU Jorge for opening your new garden 11am - 1pm on the 11th July.

| Barbican Beds | Outside the Barbican Centre Paragon St | YO10 4AH | 11.00 - 1.00 & 2.00 - 4.00 Serving Tea and Cakes! | The Barbican Beds were set up six years ago by Edible York. Three years ago a group of local residents formed Friends of Barbican Beds (Fobbey) and with money from the Fishergate forum were able to fund two water butts to provide a much needed source of water. Finding places for the water butts took a bit of searching. |
| Brailsford Cres | Brailsford Crescent, Clifton | YO30 6QF | 10.00 -12.00 | Brailsford Community Garden came out of an initial project called Dig In, run by Yorkshire Wildlife Trust, which set up several community gardens around York, after YWTs part in the project came to an end, volunteers decided to run the garden in 2013, this is our second year and we have weekly gardening session every Thursday between 4.00 and 6pm between April and October, all welcome. We have added too new raised beds to the garden this year and also have introduced individual beds for children. |

Everything from Currents and Apples to Kiwis, Figs, Grapes, Peach and Apricots. Our Story: Started in 2006 our garden gives people an idea of what can be done with a relatively small place and have a productive but also beautiful piece of land out your back door. There are lots of ideas to take away and try out elsewhere. An uplifting fruit garden and orchard in a normal place in York. |
| Edibillies | Behind Oliver House Bishophill | YO1 6ES | | Communal edible garden has been going three years gardened by locals A school farm project run by a team of year 9 & 10 students in order to give them an area over which they have ownership. The dream is to have a fully working small holding including poly tunnel, raised beds, fruit trees and bushes, livestock and a teaching room for subjects teachers to bring groups. The aim is for the project to be built from waste or freely given materials, with as much repurposing as possible. An emphasis is also put upon the need for the project to be environmentally sounds with elements such as rainwater collection, green roofs and habitats being created for insects and wild life. Highlights for me have been the day the trees went in and the way in which the students have taken ownership of their farm. |
| Fulford School | Fulfordgate, Fulford, York, North Yorkshire YO10 4FY | YO10 4FY | 10 - 4pm tbc | Local residents have transformed a previously unused space hidden from view into Greenfields School and Community Garden. Over the last four and a half years it has been developed into a substantial lovely garden producing opportunities for food growing, education and recreation for school children and local residents. Holgate Community Garden was started in Spring 2014, a community effort to transform a neglected park into a vibrant, life-enhancing space for anyone to come enjoy and for the community to have the opportunity to grow edibles. This is a child-friendly garden! Visitors can expect to see a jubilant, bee-friendly garden, with a wide variety of edibles grown in 6 raised beds; lots of old-fashioned sweet peas; a herb and currant bed in its second year of |

We will be present from 10-12, but anyone is welcome to come visit the garden (located on un-gated Council-owned land) at any time</p> <p>Just moved into a rented terraced house with an empty yard. Currently setting up a garden with pots . Lots of edibles.</p> <p>Friends of Leeman Park started last Autumn to smarten up out neighbourhood, but has since grown to much more. Lots of people in our community were keen to grow food, and so it was an obvious step to join in with Edible York and create a community allotment. We've also created a small orchard too.As well as our main Edible York garden in Back Park, walk up to the other end of Balfour Street to see the nature reserve that we've created. We've also planted a community orchard, which can be visited too. Just walk up Salisbury Road (towards the lights near the RSPCA) and you'll find it on the corner of the junction, behind the War Memorial.</p> <p>The Kids' Allotment is in its 12th year of operation. It is an allotment, gardened by children (7 to 12 years) and the on-going inspiration for volunteer helpers, is the enthusiasm of the children and the shared delight at their achievements. Earlier this year we featured on Julia Lewis' Sunday programme</p> |
| Friends of Leeman Park: Back Park Community Allotment | Near Jubilee Pub on Balfour Street, in Back Park | YO26 4YU | 10.00 - 2.00 | <p>This is one of the original Edible York city centre edible gardens. We will be giving away bags of cut herbs.</p> <p>The garden's edibles are fruit trees only as those involved to date are also busy on a range of other commitments, but if you'd like to visit we'd be very happy to talk to you about what's here, and how you can contribute to this peaceful spot by the cycle path if you'd like to.</p> |
| Low Moor Community Kids' Allotment | Low Moor Allotment Car Park at bottom of Kilburn Road, Fulford Rd | YO10 4JG | 10.00 - 2.00 | <p>St Nicks are also busy with the 'Tour de Tang Hall', but visitors are welcome as the site will be open on Saturday.</p> |
